

A decorative background featuring several spheres of varying shades (white, grey, black) mounted on thin black sticks, casting soft shadows on a light surface.

Company Profile

Resources Mena

Your trusted partner for Accounting &
VAT Consultancy Services

**Professional Accounting &
VAT Consultancy Services**

About Us

You grow, we count.... Our goal is to help entrepreneurs and SMEs to succeed and grow their businesses by offering Professional Accounting and VAT Consultancy Services

We are a team of Professional accountants having rich experience in handling the accounting of various industries. We act as the finance department of companies who doesn't require the service of a full time Accountant or a full time Finance Manager.

Our Moto is to provide a value for money service in a friendly and professional way, with the aim of being your trusted business partners, stretching far beyond the essential accounting services.

We have the knowledge and expertise to make accounting as simple as possible, offering outsourcing of CFO role, Accounting, Bookkeeping, VAT management & Payroll services
